Circumstances may cause you to change your line-up. You must be able to show that the new line-up is based on challenge match results in both singles and doubles. This will require you to show challenge match scores not shown in your ladder. For example: 2nd singles player is not in line-up. 3rd singles moves to 2nd and 4th singles moves to 3rd. Your ladder does not show a challenge match between the players now at 1st and 2nd singles. A challenge match is needed and should be listed below. This would only occur if an individual is out of the line-up for 7 or more days, or if a season ending injury occurs. THIS STATEMENT DOES NOT CHANGE ANY PART OF #4 "LINE-UPS" ON PAGES 1 & 2 OF THE RULES AND REGULATIONS.
